NORTH POLE DANCERS

Santa's sexy helpers shock families with festival strip

WE'D love to have a couple of NEAR-NAKED STRIPPERS slither down our chimney this Christmas – in fact, we've requested it in a letter to Santa. (Don't disappoint us, ya fat beardy bastard!)

But we appreciate that others might be a tad offended by the sight of scantily-clad Santa's helpers spinning round a pole while sucking suggestively on candy canes.

This happened recently, when two strippers performed in front of horrified families at a Chrissie festival in France (below left).

The incident took place in the city of Brest, which was appropriate as there was a bit of BREAST on show from the gals once their dresses came off.

Their unauthorised routine was cut short following complaints to organisers, who ordered security guards to remove them.

"You go to the Christmas market with your children and you run into this," tweeted one outraged mother. "The men are IN HEAVEN but when it comes to the little ones, I do not understand how [the organisers] accepted this."

Guess who'll be receiving LUMPS OF COAL in their stockings next Christmas?

No singlet can contain fun-loving Brit Lana!

PHOTOS BY GIRL MANAGEMENT

WHEN not posing for eye-popping snaps like these, 23-year-old English glamma **Lana Parker** photographs OTHER stunnas. And when not doing THAT, she's into drinking, partying with pals and keeping warm while…er, getting hot. Lana once told a Pomland reporter, "I have the best 'BACKWARDS NAME'." Ponder that while you read on…

HAVE you got someone to UNWRAP YOU this Christmas, mate?
"Yes, I do. I'm pretty broke right now, so he may just be getting ME tied up with a bow for his present!" ▶

‘FOR XMAS, HE’LL GET ME TIED UP WITH A BOW’

Would you let a fella buy you a saucy outfit, Lana?
“It’s hard to buy clothes for a woman unless you’re REALLY confident in your shopping skills. When in doubt, go for a fancy bottle of wine instead – all girls love wine!”

Got a fave piece of lingerie?
“I work with a German lingerie company, so often get given loads of naughty items! My favourite is a lace bodysuit that’s missing VITAL AREAS, so you don’t even have to take it off when you’re getting cheeky.”

Would you sell your USED UNDIES to a kinky businessman?
“That’d depend on how much he was willing to pay. Feel free to contact me with serious offers, gents. Ha ha!”

Do you like cutting loose on the town? What’s it usually involve?
“Definitely, although my hangovers last about a week these days. I used to be able to drink every night when I was a student! I’m a fan of gin or tequila. I don’t tend to eat while out, but I’m partial to an EXTRA-LARGE PIZZA in bed the next day.”

Which three gals would you wanna spend New Year’s Eve with?
“My crazy friends Cara Ruby, Alice Brookes and Tamazin. They’re all super-sexy glamma models with HUGE BOOBS. As you can imagine, a night out with them is pretty wild.”

Sounds awesome! Where was the last place you DID THE DEED?
“Sorry to be boring, but it was in bed. It’s winter here in the UK, and I don’t fancy FREEZING MY TITS OFF outside in the cold!”

Fair enough. Bonk song of choice?
“I think putting music on for sex is a bit cheesy. Plus, if the track changes when you’re only HALFWAY THROUGH, the next one could be something random like a Disney song!”

Food that puts you in the mood?
“Is ALCOHOL a food?”

Yes. Yes, it is.

LEYLAND FLUBBERS

CHELSEA'S CHOOZZIES

NO SURPRISE to spy Chelsea Leyland sporting headphones, since the young US-based Brit makes her living DJ-ing at SWANKY fashion events around the world, as well as collaborating with everyone from Duran Duran to Nicki Minaj. We're now keen to team up with Chels on a SPECIAL PROJECT codenamed "You've ditched the top, might as well lose the bottoms, too". She's gonna love it.

MAMMAL MAM

AUSSIE RACH'S SLICK TURN

NICE to see home-grown thesp **Rachel Griffiths** still RACKING UP the great performances. These bathing shots come from acclaimed 2016 drama *Mammal*, which won the gland...er, GRAND Jury Prize at the latest Sundance Film Festival. Whispers say the coming months may find the 47-year-old also collecting a gong or two for her part in the flick. Onya, Rach. Well played and well displayed!

Photo by Ray Lego

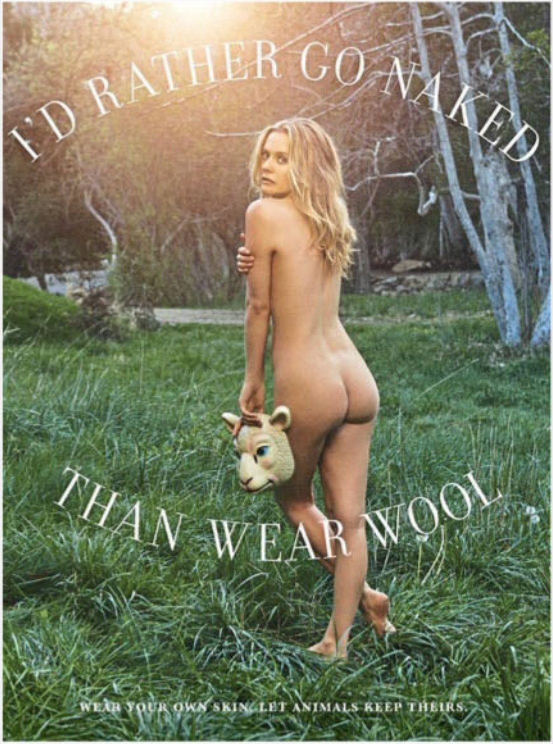
MARVELLOUS 'Merican muso **Amanda Palmer** has never been shy about getting her yummies out – especially for a worthy cause. We recently spotted the 40-year-old mum-of-one fighting the good fight in *Under The Radar* magazine's "Protest Issue", talking feminism and questioning the problems some uptight jerks have with naked women. For the record, Mandy, we ticked box six and wrote "STOKED"!

UNDER THE RADAR
THE PROTEST ISSUE
RADICAL EMPATHY IS the only way to GENDER EQUALITY

JUST AD ARSE

SHEAR DELIGHT

WE'RE not sure about PETA's new protest, against the use of wool. Ask a jolly jumbuck whether it wants to keep its fleece at the height of the Aussie summer and it'll tell you, "Baaaaa!" Translation: "Fuck, no!" What we ARE sure about, however, is that well-meaning Yank actrine **Alicia Silverstone** is looking fantastic for 40 in this advert – and, despite that mask, not the least bit SHEEPISH.



I'D RATHER GO NAKED THAN WEAR WOOL
WEAR YOUR OWN SKIN. LET ANIMALS KEEP THEIRS.

SHARING THE LOVE

The freshest flesh on celebrity social media

WHEN our mates send us phone pics, it's always giant schnitzel challenges, freakish soccer goals or BEER-CAN PYRAMIDS. If only we were pals with Pommy pin-up **Holly Peers**...

THIS is a public service announcement: Victoria's Secret lingerie model **Kelly Gale** would like you to know she has a very cool swimming pool, a too-small bikini and a BEAUTIFUL BUM.

TREASURE TOVE (we do)

IF THERE was an award for most outstanding USE OF TITS in a musical career, Swedish popster Tove Lo would win it. This shot from a London concert the other night isn't the first time we've featured the 29-year-old in *Full Frontal*, nor is it likely to be the last. On this occasion, Tove chose to decorate her RASPBERRY RIPPLES with pasties shaped like marijuana leaves. Presumably because they are smokin'.

DEBUT VIEW

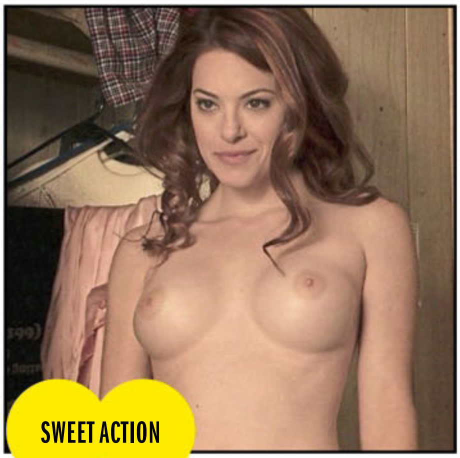
WITT IS WELL FIT

CONGRATS to American glamma **Laurel Witt** on her first cover story, photographed by Englishman Gavin Glave for issue #11 of Australian style journal *Yume*. Talk about an international effort! We adore Laurel's combination of SEXY SPECS and KILLER CURVES. Dunno about the bed in the window, though. Not unless you're trying to sell telescopes to every bloke in the building opposite.

HOLY TIT!

THE POPE'S PUPS PEEPS

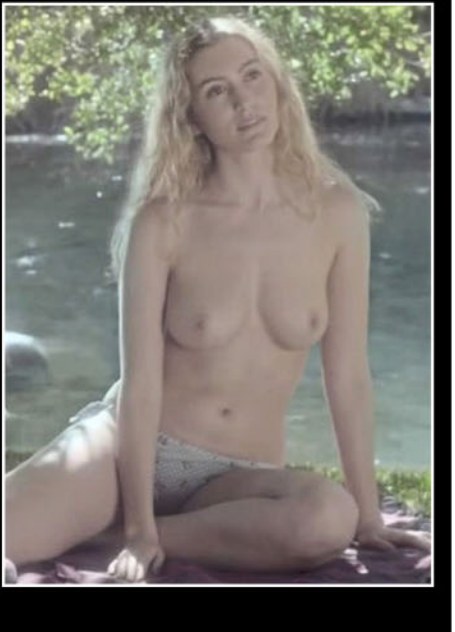
THE MATURE minx by the door is **Monica Cetti**, while the blonde on the picnic rug is **Olivia Macklin**. We don't know much about them, except that they've been freeze-framed in scenes from 2016's *The Young Pope*, an expensive Euro-TV series that imagines what'd happen if a US archbishop was appointed head of the Catholic Church. Some choice FEMALE NUDITY, according to the writers.



SWEET ACTION

BUS STRIP

IN RECENT Seppo actioner *Bus Driver*, a school trip goes VERY WRONG when the coach breaks down and the passengers stupidly seek help at a ranch belonging to violent crims. Luckily for them, their unassuming driver is an ex-military type who can both take and dish out a serious arse-whooping. And luckily for us, cute actress and former dating agency director (true!) **Olivia Alexander**, 28, bares her DELECTABLE DOMES along the way.



HELLO, I'M...

COURTNEY TAYLOR

BIG lips, big norks, big booty – any wonder 28-year-old porn starlet Courtney Taylor – whose movies include *Stretching Slave Balls 101*, *Armpit Fuckers 5* and *Journey To The Center Of Courtney's Asshole* – is a BIG deal in the biz. Based on her social-media posts, Court has become a real gym bunny of late, doing squats like they're going out of fashion, so expect her future BUTT-VENTURES to be even more exciting. It's what Jules Verne would have wanted.

Sexmas

Spill your eggnog over these filthy festive flicks!

IT'S Christmas Day, lunch is over and you're so stuffed with turkey, prawns and Chrissie pudding that you'll explode if you try to move. As you sit on the leather couch, necking a pint of marsala and lemonade, it's time to turn on Netflix and enjoy a snooze while half-watching a Yuletide-themed film. But this year, instead of the usual fare like *It's A Wonderful Life* or *Christmas Vacation*, we suggest you check out one of our suggestions. They've got BOOBS in them!

TITS THE SEASON

UNCLE NICK (2015)

SHE may be enjoying a hot bubble bath in this soapy scene from the knockabout comedy about a crude drunk ruining his brother's Christmas beano, but **Melia Renee** has us desperately in need of a COLD SHOWER!

BILLY BOB THORNTON
BAD SANTA 2

BAD SANTA 2 (2016)

IT'S been a long time between drinks but we can safely say this sequel to 2003's sick *Bad Santa* is just as fucked up as the original. In fact, it's EVEN BETTER due to the presence of (a) a foul-mouthed Kathy Bates, and (b) FOUR BOSOMS exposed by two unknown but very talented actrines!

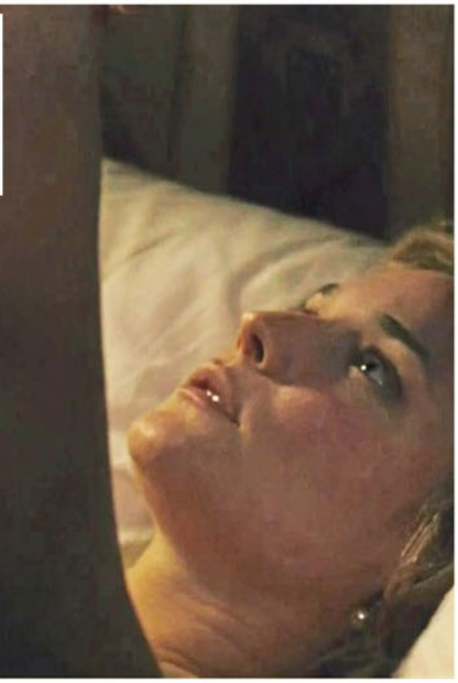
SILENT NIGHT (2012)

A SERIAL killer dressed as St Nick is killing naughty people in a small town on Christmas Eve. **Cortney Palm** plays an amateur porn star, so you can probably predict with 100% accuracy what happens to her. Still, we get to see Cort's cans before she gets offed.

SILENT NIGHT

JOYEUX NOEL (2005)

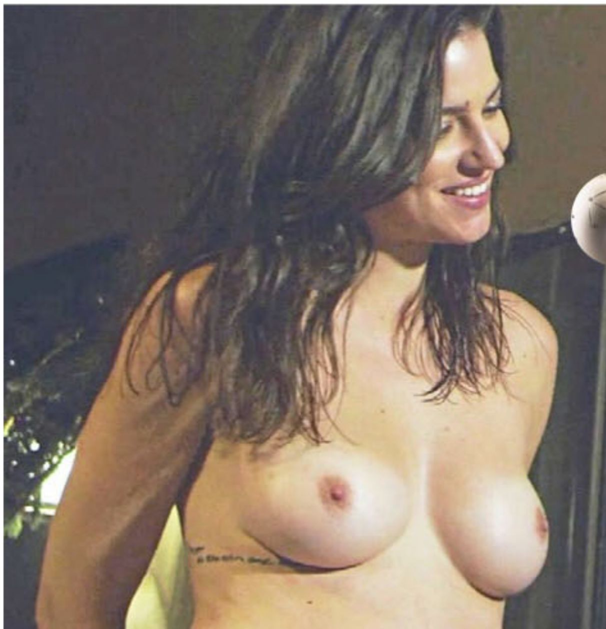
CELEBRATING Christmas Day in the trenches of war-torn France in 1914 might not sound like much fun, but it is when it includes a glimpse of **Diane Kruger**'s CRACKERS. In fact, we guarantee you'll be feeling plenty of joyeux...even if your name ISN'T Noel.



SCREAM QUEENS
NAKED
Christmas

SCREAM QUEENS NAKED CHRISTMAS (1996)

WE LOVED this epic, especially the scenes when **Christine Cavalier** (right) and **Sue Ellen White** (above) got nekkid to foil the evil plans of...aw, who are we kidding? It's a plotless excuse for Z-grade starlets to flash their titties. We give it two thumbs (and ONE STIFFY) up!



KRAMPUS UNLEASHED (2016)

KRAMPUS is like an evil Santa Claus, who punishes bad kids with EXTREME PREJUDICE! In between scenes of people's intestines being hung on trees like TINSEL, there are quieter – SEXIER – moments such as when **Amelia Brantley** gives viewers an XXXmas moment.

CUTE ROOTS

SOMETIMES, sentences just get in the way of GREAT FUCKING, which is why it's nice to give story-driven pornos a rest for a bit and enjoy a solid two hours of BANGING GOOD FUN!

Super Cute Vol. 6 sees several young chicks copping wood like fucking champions, including **Kate England** (who even takes it up the POOP CHUTE in several acrobatic positions) and sassy **Sydney Cole**.

But we have to admit we've fallen in lust with then-18-year-old **Kylie Quinn** and 19-year-old **Liza Rowe** (right), who prove that youthful enthusiasm sometimes beats saucy experience hands down!

Honestly, the woodsmen in this flick were lucky to walk away with their knobs intact – these gals look like they're gonna CHEW THEM OFF in all four red-hot sequences!

MEET THE MILF: JODI WEST

BORN: June 20, 1964 in Las Vegas, Nevada

STATS: 34D-24-35

QUICK FACTS: It's never too late to cop a load of jiz in the face for money, eh? Take Jodi here – the real-life swinger was 46 when she got into adult flix and she's been barely off camera ever since: "For the first time in my life, I get to be completely myself! I am as goofy and as sexual as I am on film."

STARS IN: *Hot Cougars Looking To Get Fucked, Accidentally Lesbian, More Memoirs Of Bad Mommies*

WHAT MAKES A BLOKE (OR CHICK) SEXY? "Attitude, confidence and a sense of humour are the sexiest traits a person can have. If I'm having sex and you can't laugh (or worse yet, you 'shush' me), it's an immediate turn-off Game over. Sex should be fun! Fun is sexy!"

WHO ARE THE BETTER MUFF-MUNCHERS? "Women, only because they really have to be. If you're going to make a girl cum, you have only your mouth or your fingers."

WHAT GETS YOU OFF? "I love being nibbled behind my ears, on my neck, below my waist and just above my crotch. You'll see me in a movie, if I'm with a gal, I always go to that area 'cos it's very sensitive."

MOST UNCOMFY PLACE YOU'VE HAD SEX? "In my butt. Ha! I've always wanted to say that! Actually, it was on a table in a nightclub."

RUNNING LATE

IF ONLY we could get away with this sorta behaviour when we're about to miss a bloody flight! Free runner Jason Paul was snapped leaping from the passenger boarding bridge into a 747 at Munich Airport. Such jumps are obviously illegal, but the dude didn't get arrested. Why? 'Cos he was actually making a short film with the authorities' permission – not running late due to oversleeping after eleventy beers at a strip club the previous night.

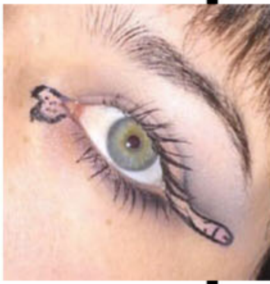
Last call for adrenaline-junkie lunatics...

WHAT GOT HIS GOAT?

SHOPPERS at a grocery store in Carrickfergus, Northern Ireland have had to take cover after a GOAT went berko, butted a pensioner, scoffed flower baskets and climbed on top of cars. Said the manager, "It's just something you didn't expect." No KIDDING!

COCK-EYED

WE LOVE drawing dicks on mates unlucky enough to pass out early at piss-ups, but one creative lass has gone and turned knob art into a FASHION STATEMENT. Seppo Asia Brautigam recently used eye shadow to draw a tool and hairy ball bag around her peeper. The 19-year-old said she was just "joking" but, after posting pix on Twitter, she's inspired dozens of other women to do the same thing. You never know, ladies… with a bit of luck, you may finish the evening with a REAL DICK resting on your face.



FUCK-OFF FACTS

- **While goat is far from a staple here in Oz, it's one of the most popular meats on the planet, offering quicker returns than other animals and no RELIGIOUS TABOOS. Funny thing is, we export more goat than anyone else. Maybe we should keep some!**
- **In 2016, for the third year in a row, Qantas was named WORLD'S SAFEST AIRLINE. The award – given by website AirlineRatings.com – praised the Aussie carrier for its "extraordinary fatality-free record in the jet era". The hostesses aren't bad, either.**

10 PICK-UP LINES THAT REALLY WORK!

Our Model Cits actually fucked the guys who delivered these zingers!

THE world's a big place. How big, you ask? Well, you could fit SEVERAL AUSTRALIAS in it – THAT'S how big it is.

So the chance that some bloke somewhere is opening his gob right now to deliver the worst, most cringe-worthy pick-up line to a beautiful woman is VERY HIGH.

Nine times out of ten, that bloke will walk away nursing BLUE BALLS, having failed to secure a PRIZE ROOT.

Yet, occasionally, that same bloke will find his BALLS being drained of their BLUENESS – and a goodly quantity of CHUNKY COCK-YOGHURT – because one of his pick-up lines ACTUALLY WORKED!

We were curious what sexy sentences might get a guy inside a slightly tipsy gal's undies, so we asked TEN Model Citizens which conversational ice-breakers made them wanna SPREAD THEIR LEGS!

FRAZZLED FACTOID #1

Seppo park ranger Roy Sullivan holds the record for being struck the most times by lightning. Between 1942-77, Roy was zapped SEVEN times. The unlucky bugger was nicknamed the "Human Lightning Rod".

STRIKE *me* LUCKY!

Wild lightning + crazy snappers = shocking pics!

IN OUR opinion, the best place to be during a lightning storm is in a cosy bar, knocking back your ALCOMAHOLICAL BEVERAGE of choice, while watching sport being played in a sunnier, drier part of the world. But that's just us.

There are MAD KENTS who love being as close to lightning strikes as they can, either for the risky thrill that they could be SHAZAM'D to a fuckin' crisp, or just because they enjoy being near-deafened AND half-blinded. Like we said – not our bag.

However, we have to admit that when these THRILLSEEKERS return from their lightning-observing expeditions on rooftops, sailboats or OUT WOOP WOOP, they often bring back ace photos. And at least ONE pair of soiled underpants...

All right, who shuffled their feet along the carpet?
DELTA

FRAZZLED FACTOID #2

During the wet season, Darwin is one of the planet's lightning hot spots. Single storms can feature 1500+ flashes over the course of only a few hours – as many as other parts of Oz experience in a whole year!

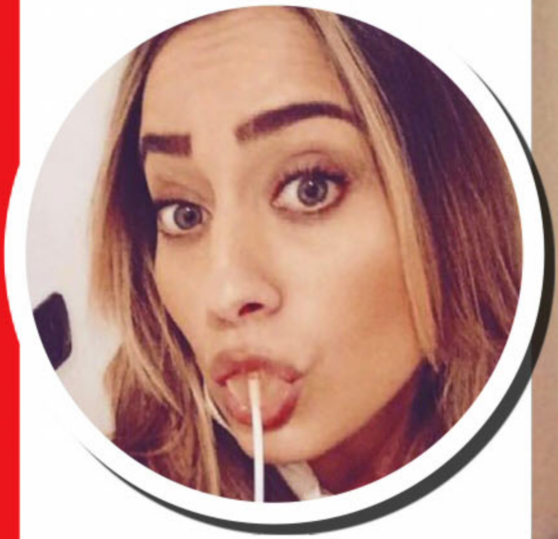
MAMMA MIA!

NO MEANS YES!

Actress promises blowies to anti-referendum voters!

YOU can't trust every pledge made at election time, but voters will be hoping **Paola Saulino** NEVER LIES after she promised to perform ORAL SEX on any man or woman who voted "no" in last month's Italian referendum.

In the lead-up, the Euro-hottie – who regularly posts semi-naked snaps on her Instagram account – uploaded a close-up snap of her SUCKING ON A LOLLIPOP to demonstrate what she planned to do for punters who voted as she asked.



(We love Paola's subtle approach to political campaigning.)

The 27-year-old actress/model's generous offer inspired TEN MILLION horny fellow countrymen to defeat the referendum, which led to the resignation of Italian Prime Minister Matteo Renzi.

This means LA-based Paola now has to make good on her FILTHY OATH.

"I am a woman of my word," she tweeted on the eve of flying back to Italy to begin thanking voters. She anticipates she'll GOBBLE HER LAST KNOB and LICK HER FINAL PUSSY sometime in December 2018.

After which, we suspect Paola will become a VEGETARIAN, 'cos she'll be thoroughly sick of the sight of MEAT! people

VIVA AVA!

FUNNILY enough, the model who most caught my eye in your "BUSTY TEENS!" issue (December 5) was the centrefold, 37-year-old Ava Addams. I like a woman with experience and you can tell by the looks she's giving the camera that she knows EXACTLY what to do in the bedroom.

Twiz, Qld

Being a successful porn star probably helps as well, Twiz. We were glad to receive positive feedback from yourself and others about Ava as we're major fans of the curvaceous MILF. What say we celebrate with a photo of Ms Addams smooshing together her soapy suckables?

RUBBERY FIGURES

THE JOY OF SEXERCISE

HOW many calories does the AVERAGE ROOT burn? Every article I read gives a different amount.

Calvin, WA

Not sure we can give you a definitive answer to this one, Cal. The problem is that there's no standardised shag – the calories burnt will depend on how long you go, how hard you go, what possie(s) you're in and other factors to do with your personal metabolism. If you MUST have a number, 100 calories per 25-minute session is a widely quoted figure for men.

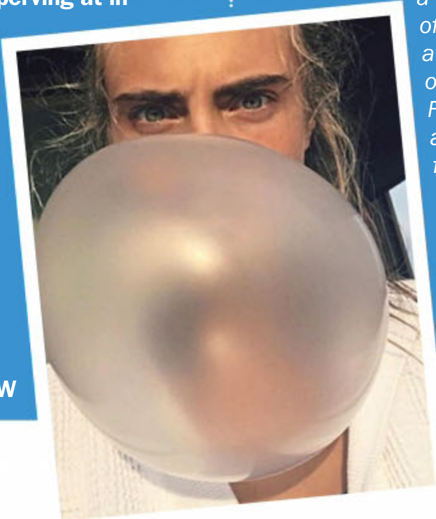
MISSING MISSES?

HOTTIES IN DISGUISE

WHERE do all the spunky models go when they're not posing for the kind of pictures I enjoy perving at in your mag? How come I never see them WALKING along the street? Or SITTING in the bus terminal, killing time on their phones? Or ORDERING the dinner pack at my local fish'n'chip shop on Friday night?

Troy, NSW

Short answer, Troy: you most likely do. Models tend to be very good at keeping a low profile. For some of them, it's to avoid attention from hordes of DROOLING FELLAS. For others, it's more about taking a break from the fancy clothes, hair and make-up that are compulsory in their line of work.



Can you identify the top model hiding behind this gum? (Answer far right)

WELCOME REIGN

Genevieve Aitken and a lucky friend in *Roman Empire*

YOU *People* people seem to watch every film and TV show under the sun, so here's a question: will there ever be a THIRD SEASON of HBO historical series *Rome*? I loved the first two and recently rewatched them on DVD. Anything could – and did – happen back then!

MA, NSW

Signs point to no, MA. There was some talk of a movie spin-off, but that's died down. The GOOD NEWS is that Netflix has recently released a six-part "docuseries" called Roman Empire: Reign Of Blood *that we reckon could be right up your ancient paved alley. It's got nekkid boobs, too.*

ABOVE THE NORM

YOUR "Packer's Crackers" yarn (Dec. 5) got me thinking about Kate Fischer and *Sirens*. Which got me thinking about Aussie artist Norman Lindsay, who that flick was at least partly about. Hard to believe the same guy who painted all of those NAKED BABES running around his property also created the classic picture book *The Magic Pudding*!

TH, Vic

Yes and no, TH. Lots of artists dabble in more than one area/style. Lindsay also sculpted, etched, wrote serious novels and spent time as A BOXER! He was talented as hell, with many of his pieces approaching even the perfection of supermodel Elle Macpherson's body in Sirens *(right).*

ANSWER: It's Cara Delevingne!

THE CENTREFOLD

DANIEL SEA | 18 | MINSK, BELARUS

ALL AT sea

We're dizzy about her 36DD diddies – and her mad oral skills!

DELISH **Daniel Sea** has a bloke's name, but those MASSIVE MELONS are proof positive that the young Euro-spunk is ALL WOMAN! We talked togas, tongue jobs and TAINTS in this triffic phone convo!

SUM yourself up in a sentence or two, Daniel.
"I'm a friendly and sociable girl – I like noisy companies and parties. I organise them myself and come up with a fun theme. My all-time favourite party was a ROMAN ORGY. Everyone came dressed in togas – although they didn't stay on for long!"
Did anyone's hands do a spot of ROMAN on your boobs?
"I had two guys playing with them for ages, and tweaking my nips. ▸

That felt amazing. They also poured Sambuca on my breasts and I licked it off, which is the ONLY way to drink Sambuca.”

Does anyone ever get you confused with lesbo actrine Daniela Sea from TV series *The L Word*?

“Nah – I’m clearly far more feminine, younger and bustier than her. I liked the show, though. I’M BI-CURIOUS BY NATURE, so I appreciate the fact that chicks can make wonderful lovers.”

‘I LICKED SAMBUCA OFF MY BREASTS’

Do you prefer providing or receiving oral pleasure?

“With women, I get lazy and would rather lie back and let them TONGUE MY SLIT. But I have a thing about men’s packages – especially HAIRY TAINTS – which makes me want to spend ages between their legs.”

How do you service the peen?

“I get the guy to lie on his back while I crawl between his legs and go to work. I want him to see every lick, caress and dribble of spit. It’s also a great position for me to kiss and nibble on his ballsack and taint.”

You’re building a pretty wild mental picture here, Daniel...

“And if I’m feeling particularly turned on, I’ll even give his arsehole A LASH – as long as he’s had a shower beforehand. I’ll stick my tongue as far up there as I can go while I jerk him off till he SPURTS HIS HOT CUM. It’s such a high to hold so much power – so to speak – over a man.”

You can hold anything of ours anytime you want, mate.

WATCH DOGS 2

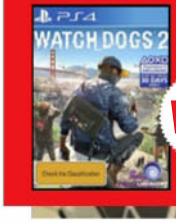
Ubisoft, out now, RRP: $99.95 (PS4, Xbox One, PC)

What's the guts? After the events of the previous game, we're now in a San Francisco run by corrupt computers that victimise innocent citizens. Hacker Marcus and his buds decide to try to destroy the machines and bring down the sinister firm behind 'em. Easier said than done – otherwise, it wouldn't be much of a game, eh?

Anything else? Fans of action-adventure titles will bloody love *Watch Dogs 2*, guiding a ragtag team of digital rebels in a desperate bid to spark a revolution. Hacking is the key and in this city of the future anything and ANYONE can be hacked to help your cause…and to cause CHAOS. The huge open-world setting allows players to roam across every suburb of San Fran. Oh, and need we mention that the graphics are extraordinary and the gameplay superb?

Final word: Hack and attack!

THE techno wizards at Ubisoft have sent us FIVE copies of the game on PS4. To grab yours, **just tell us IN ONE SENTENCE the best breed of watchdog and why**. The five RUFFEST responses will win a game. Mark your entries "*Watch Dogs 2* comp".



WIN!

Don't Breathe

Universal Sony Pictures, rated MA, out Dec. 28, RRP: $39.95 (DVD)/ $44.95 (Blu-ray)

What's the guts? Three burglars fuck up massively when they decide to rob a blind guy. Once inside his darkened house, they discover the dude is an ex-army vet, a trained killer and TOTALLY BONKERS. And he gets around in the pitch black far better than they can. Now, the crims are in a fight for their lives as they try to escape his hell house.

Anything else? *Don't Breathe* is being hailed as the best horror flick of 2016, and it's not surprising when you consider that one of the producers is Sam *Evil Dead* Raimi and the director is Fede Álvarez, who helmed the brutal 2013 remake of *Evil Dead*. *Don't Breathe* will terrify you from the start to the shocking finish.

Final word: Blind bleeding the blind.

WIN!

DON'T BREATHE
MA

THE frightsters at Universal Sony Pictures have sent us FIVE DVDs for this comp. To win, **just tell us IN ONE SENTENCE the most scared you've ever felt and why**. The five most hair-raising answers will get a DVD. Mark your entries "*Don't Breathe* comp".

Wild Orchid

Via Vision, rated R, out now,
RRP: $19.99 (Blu-ray)

What's the guts? Sexy lawyer Emily travels to Rio de Janeiro to work on a multimillion-dollar business deal. But she's soon caught up in the steamy surroundings and even steamier men. She begins to explore her sexual boundaries – and that suits the mysterious and seductive Mr Wheeler perfectly. The older man guides Emily through Rio's sensuous underbelly. The more she loses herself in passion, the more she is snared in his dirty world. Will her primitive desires destroy Emily or help in Wheeler's redemption?

FROM THE MAKERS OF 9½ WEEKS
MICKEY ROURKE · JACQUELINE BISSET · CARRÉ OTIS
WILD ORCHID

Anything else? This fantastic Blu-ray release of the 1989 classic is long overdue. Following on from his raunchy efforts in *9½ Weeks* (1986), Mickey Rourke steamed up the camera with his then-real-life squeeze Carré Otis (top). Some viewers even reckon the pair WEREN'T acting during their sex scene. You be the judge!

Final word: We'd pluck her!

WIN! COURTESY of Via Vision, we have FIVE Blu-rays to hand out. To enter, **just tell us IN ONE SENTENCE your fave flower.** The five best answers will score a Blu-ray. Mark entries "*Wild Orchid* comp". Please state you're over 18 on your entry.

Vigilante Diaries

Eagle Entertainment,
rated MA, out December 21,
RRP: $29.95 (DVD)

What's the guts? A team of spies have reformed and are now crime-fighters, led by the mysterious Vigilante. Their violent missions of rescue and revenge take the team all over the world, from the glitz'n'glamour of Los Angeles to dangerous hotspots such as Russia and Iraq. But they've got plenty on their plate with Asian assassins, Armenian gangsters and a couple of deadly super-spies seeking to destroy the team and achieve world domination in the process.

Anything else? If you loved *The Expendables*, then you'll get a hoot out of this low-budget action-fest featuring some familiar names including Michael Madsen, Jason Mewes, cage fighter Quinton "Rampage" Jackson and Danny Trejo. There are plenty of fist fights, shoot-outs and explosions to satisfy every fan of this genre.

Final word: Don't write, just fight!

VIGILANTE DIARIES

WIN! THE gun-totin' guys'n'gals at Eagle have fired FIVE DVDs our way. To get one, **just tell us IN A SENTENCE the last time you took the law into your own hands and why.** The five hardest-hittin' replies will nab a DVD. Mark your entries "*Vigilante Diaries* comp".

LAST OF THE GIANTS

By Mick Wall
Orion, out now,
RRP: $32.99

What's the guts? There are a ton of books about Guns N' Roses, but only one tells the whole shocking tale – *Last Of The Giants: The True Story Of Guns N' Roses*. Author Mick Wall reckons the band is on a par with the Rolling Stones, trying (and succeeding) to be DANGEROUS. The Gunners arrived on the scene in the 1980s full of sex'n'drugs'n' swagger, giving a collective finger to the MTV generation. After 25+ years, and plenty of highs and lows, they continue to rock on and have as many fans as ever. Hell, the fact that most of the band members are still alive is an achievement in itself!

Anything else? This tome comes out at a perfect time with Guns N' Roses set to tour Australia in early 2017. Read it while listening to *Appetite For Destruction* to get yourself in the mood for the gigs. Mick Wall has done a terrific job – the legendary *Kerrang!* magazine writer's penned a bunch of classic rock books over the years, most recently the highly readable *Lemmy: The Definitive Biography*.

Final word: Welcome to the jungle!

WIN! WE'RE giving away THREE copies, thanks to our mates at Orion. To get yours, **just tell us IN ONE SENTENCE your No. 1 Gunners song and why.** The five rawkiest answers will receive a book. Mark your entries "*Last Of The Giants* comp".

Boar-ing story

A ROAD train heading through Far North Queensland struck and killed a wild boar.

The carcass was in pretty good nick, so the driver decided to offer it to the publican at the next town.

"Yeah, I'll give you a fiddy for it," the fellow told the truckie. "It'd be nice to have some fresh pork."

A Pommy tourist was staying at the pub and for dinner he was impressed to see roast pork and grilled pork chops offered on the menu.

"Yeah, mate," said the publican proudly, "it's fresh-killed, local wild boar."

The Pom chose the roast pork and later complimented the publican on how good it tasted.

"Glad you liked it, sport," he grinned. "You can have pork chops or sausages for breakfast tomorrow. We don't waste anything out here."

"Sounds good," said the tourist. "Could I have a drink of water, please?"

"Sure can, mate, but we only have bore water."

"Goodness gracious!" exclaimed the Pom. "You really DON'T waste anything!"

Missing in action

TWO old coots were only a year short of retirement from the assembly line, but that didn't keep Joe from boasting to Don about his sexual endurance one Monday morning.

"Three times!" gasped Don. "How did you do it?"

"It was easy," Joe replied. "I made love to my wife, then I rolled over and took a 10-minute nap. When I woke up, I made love to her again and took another 10-minute nap. And then I put it to her again. Can you believe it! I woke up today feeling like a stud bull."

"I gotta try that technique," said Don. "Lorraine won't believe it's happening."

So that night he made love to his wife, took a 10-minute nap, made love to her again, took another 10-minute nap, made love to her a third time, then rolled over and fell sound asleep.

He woke up feeling like a million bucks, but realised he was running late for work. He pulled on his clothes and ran to the factory, where he found his boss waiting outside the main gates.

"What's up, boss?" he asked. "I've been working for you for years and never been late once. You aren't going to hold these 20 minutes against me now, are you?"

"What 20 minutes?" growled the boss. "Where were you on Tuesday and Wednesday?"

Simple solution

MICHAEL was planning to get married and asked his doctor how he could tell if his fiancée was a virgin.

The doctor said, "You need three things from a hardware store: a can of red paint, a can of blue paint and a shovel."

"What do I do with them, Doc?"

The doc replied, "Before the wedding, paint one of your balls red and the other blue, then show them to your gal. If she says, 'That's the strangest pair of balls I've ever seen,' hit her with the shovel."

"Not the positions," she explained. "I just meant that the plumbers who come to our house all have tiny cocks."

FEMME FACTS

WE'VE all told a little white lie on a big night out. Ours was faking that dolphin trainer job ...or was it a lifeguard at Wet'n'Wild? Sydney babe Zuzana, 23, is no different. Don't let the TRUTH ruin a chance to score a root!

ali-fornication

Zuzie's a wannabe rich girl from 9021-OHHHHH!

ZUZANA sometimes fakes a Yank accent on dates and tells blokes she's from Beverly Hills, CALIFORNIA, not western Sydney. She needn't bother – guys would SHAG her no matter where she's from! ▶

THE HAREM

ZUZANA | 23 | BEVERLY HILLS, NSW

‘I JERKED OFF WHILE WATCHING THE VIDEO’

LET’S start with a reality check, eh Zuzie?
“Oh, OK...I’m from Sydney and love the west, although I recently moved with a girlfriend to Bondi Beach, just to get myself out there. I still go home on Sundays for Mama’s roast, but.”

Good gal. Tell us about your... looseness with the truth.
“It’s silly but fun. My friend told me she pretends to be from another place in the world for a night to see how many guys hit on her, so I’ve been doing it lately, too. Except I’m WAAAY more sexual than her.”

What do you mean?
“She’s all playful, but I’m A DIRTY BITCH who likes waking up in random bedrooms after a great night of FUCKING. I don’t know where it comes from...maybe on my mother’s side. She can be wild.”

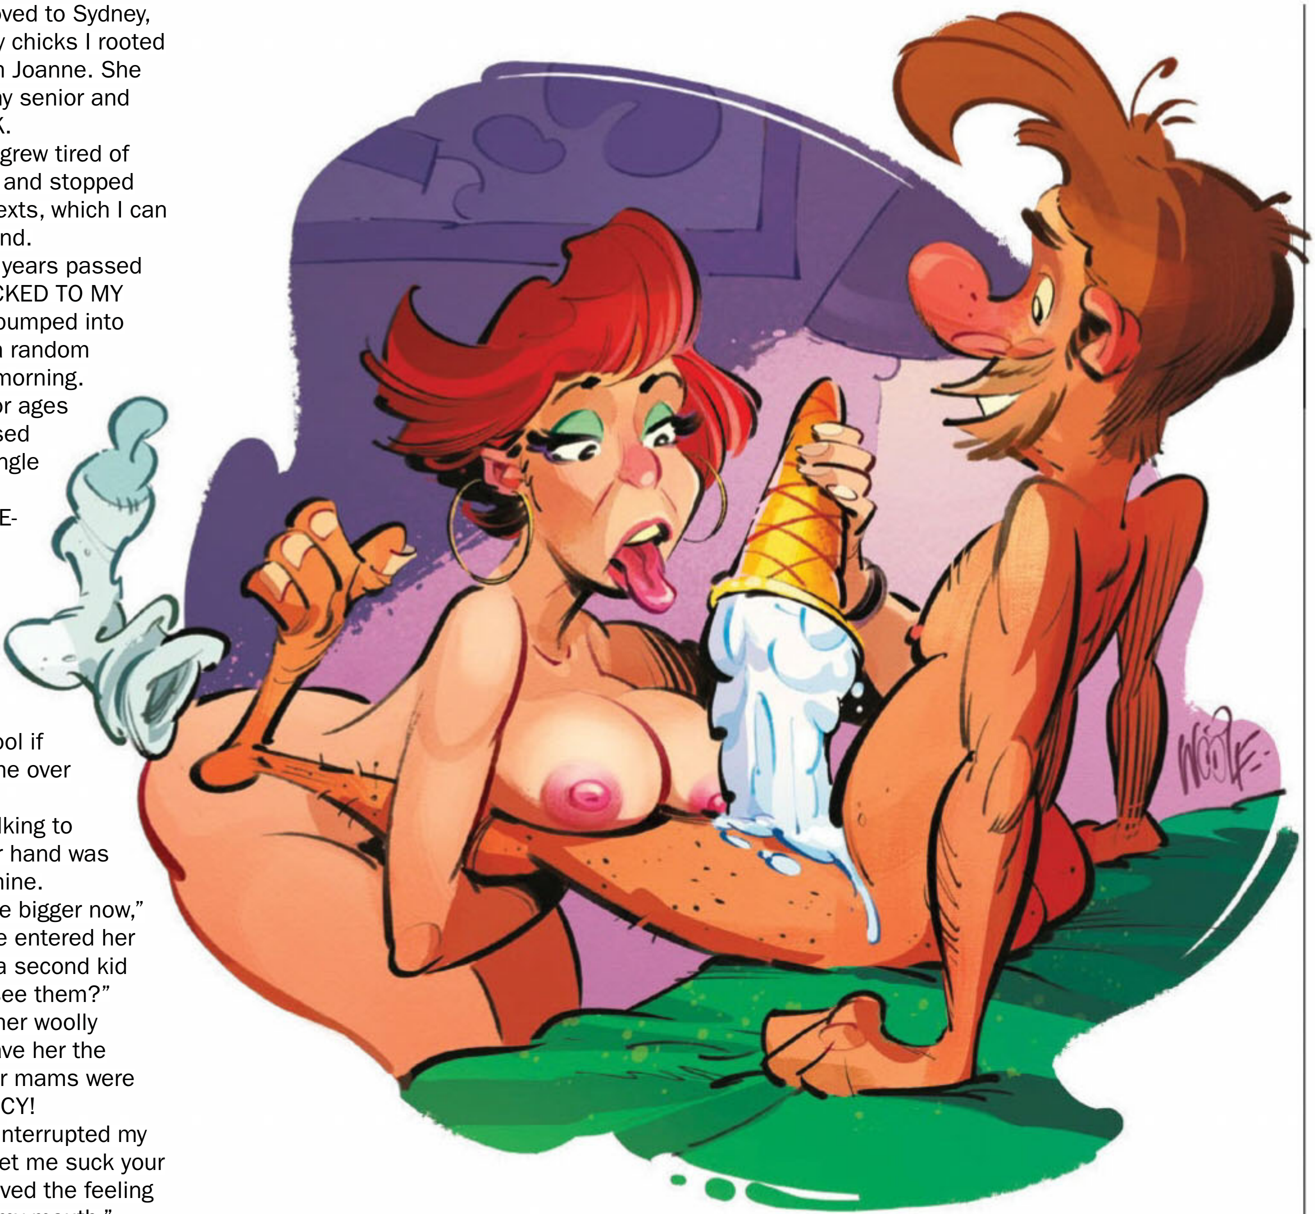
Careful or she’ll ground you! Tell us about the last time.
“I met a Maori builder and told him, in my fake Yank accent, that I was in Oz on hols. We went back to his place where I gagged on his BIG DICK while he filmed it on my mobile. Isn’t it great that ANYONE can be a movie star these days? I watched the video again last night and had to JERK OFF afterwards ’cos it was so...DIRTY!”

Do you like watching porn?
“Sure. Who doesn’t? It’s handy as a visual stimulant while I’m playing with myself or having sex.”

Zuzie, you’re the ONLY visual stimulant WE’D need!

> ‘I LIKE WAKING UP IN RANDOM BEDROOMS’

SLOPPY JOANNE



WHEN I first moved to Sydney, one of the many chicks I rooted was single mum Joanne. She was 10 years my senior and FILTHY AS FUCK.

Jo eventually grew tired of my boyish ways and stopped replying to my texts, which I can totally understand.

Anyway, eight years passed and I was SHOCKED TO MY SOCKS when I bumped into my ex-lover on a random city street one morning.

We chatted for ages and I soon sussed that she was single and dying for a taste of my NINE-INCH VADGE-STRETCHER.

“Do you, urm, have anywhere to be right now?” she asked. “My kids are at school if you want to come over for coffee.”

We began walking to her flat, and her hand was soon stroking mine.

“My boobs are bigger now,” Jo blurted as we entered her place. “Having a second kid did it. Want to see them?”

She took off her woolly jumper, and I gave her the thumbs up – her mams were PLUMP AND JUICY!

“Ahem,” she interrupted my staring. “First, let me suck your dick. I always loved the feeling of it growing in my mouth.”

She hungrily deep-throated my wang till it was stiff as a board and nearly choking her.

Next, Jo went to the fridge and a few seconds later returned with a Cornetto.

She pushed it onto my knob and spent the next 10 minutes playing with the ice-creamy goodness as it dripped down my schlong.

‘SHE HUNGRILY DEEP-THROATED MY WANG’

The kinky bitch then pushed me onto a couch and shoved her big globes in my face.

“Fuck these first, then my mouth,” Jo commanded, “then my PUSSY!”

An hour later, I pumped my third load deep in her fanny. As the CUM OOZED out, she gave me a weary smile and said, “I missed that. Why’d you stop texting me?”

Oops. Turns out it was MY fault we lost touch! Well, we’re making up for lost time now.

WHAT'S COOKING?

MY LOCAL pub does a great lunch special. Meals are $10 with a tap beer or house wine.

One day, while my mates tucked into their cheap tucker, I couldn't help noticing the new lady chef.

She had a very cheeky look, so I decided to have a crack.

I stuck my head into the kitchen after my meal and announced, "You're HEAPS better than the previous chef." Five beers under my belt gave me plenty of Dutch courage.

I'll spare you the details and jump to the part where Mel seductively eyeballed the bulge in my pants and asked if I'd like to see where the kegs were stored.

Mel sat her CURVY ARSE down on one of them and pulled my already-hard cock out of its confines. The cool air made it twitch.

> **'MEL SAT HER CURVY ARSE ON A KEG'**

She looked at my hunk of veiny beef as though she'd seen GOD, before putting the whole thing in her mouth in one spectacular go.

Her mouth was very warm and her full lips WORKED WONDERS on my shaft.

Needless to say, I lasted about a minute before blasting my splodge down her gullet. I got her number, though.

Since then, it's become a habit for me to text Mel every day before lunchtime, just to make sure she's ready for a visit from me and my NOT-SO-LITTLE FRIEND.

PHONE & BONE

WHEN I was young and stupid, my buddies regularly got me to ring a SEX LINE ("Hi, I'm Amanda. 18 and slutty!") and stir the chick on the other end.

It always happened when we were wasted and playing PlayStation, and usually ended with Amanda getting annoyed and hanging up.

I'd regret it the following day, thinking about how expensive the calls were – but the next weekend would roll around, and I'd do it again just to make my mates laugh.

After a while, I began calling Amanda even when I was alone. We had proper convos, not all about SHAGGING, and I got the feeling she liked me.

One evening, she admitted she lived in Melbourne, too.

> **'AMANDA ROOTED ME SILLY THAT NIGHT'**

I immediately asked if she'd like to come over for a drink once she finished her shift.

"I finish at 11pm, honey," Amanda said huskily. "Will you still be awake?

"I'll be up," I assured her.

"You BETTER be!" she said, before hanging up.

Around midnight, Amanda arrived at my door and I was a bit stunned. She was in her late 40s – very well preserved, but hardly the young nympho I'd been imagining.

"Not what you expected, eh?" she laughed. "Never mind, love. I'll fuck you better than any 18-year-old could."

And she did – in fact, Amanda ROOTED ME SILLY that night and was fantastic!

Wanna know the wackiest part? She and I kept on hooking up on the sly for a good five years.

Never knock the power of MATURE MINGE, fellas.

SMOKIN' THREESOME!

MY STRIKE rate is pretty good when approaching potential fuck-buddies outside a pub or club on the pretext of asking for a ciggie.

Sometimes, we don't even go back inside. We just grab a taxi, head to my place and GO FOR BROKE!

A few weeks ago, I was outside my local, gasping for a smoke, when I spotted a hot couple sitting on the kerb and decided to try my luck.

Alexis and Macca were visiting the Gold Coast from down south and I could tell she was interested in me from the get-go.

"Well," I said, "I COULD show you a couple of cool bars…or should we get some drinks and go to mine instead?"

The pair looked at each other and shrugged, then off we went to my house.

The three-way didn't happen right away. It took a while to warm Macca up, which I did by EATING HIS GIRLFRIEND OUT in front of him.

My muscular booty shook from left to right in front of his bugged-out eyes while he rubbed his thick member casually till it was firm.

I looked up from Alexis' glistening, well-worked vadge and gave him a wink. He stood, held my hips and planted his PURPLE MUSHROOM in my wanton pussy.

> **'HE PLANTED HIS PURPLE MUSHROOM IN MY PUSSY'**

Holy shit, it felt so tight and full in my love-canal.

After a solid doggy-style rogering for 20 minutes, he pulled out and sprayed his spoof all over my QUIVERING ARSE CHEEKS.

By that point, Alexis had already cum twice thanks to my expert tonguing.

Naturally, they stayed the night and we tried plenty more combos.

Yeah, smoking is a bad habit, but I'm a BAD GAL, so it suits me just fine.

STRAP ME HAPPY

HOW does one get into "pegging", Elsa?
"Well, I got into it through my ex, who was bisexual. I used to have a huge collection of strap-ons for pegging, but I've moved so much and lost so many!"

We're sorry we asked now! Do you prefer rooting guys or girls with yer strap-on?
"Guys – I love the man's reaction more. My preferred strap-on cock size is an eight-inch cock."

Crikey. Remind us never to have a one-night stand with you!
